Mr. James S. Fay  
Associate Professor of Political  
Science  
California State University  
Hayward, Calif. 94542

Dear Professor Fay,

After our talk on the phone today it occurred to me that you might find of interest several pamphlets we have issued on the Central Intelligence Agency. Much of this material is designed for younger students but you may find some points of interest for your class.

I'll be back in touch with you as to the possibilities of a speaker.

Deputy Assistant to the  
Director of Central Intelligence
